Fellows Development Committee

★ Started as “Fellows Advisory Board” which coordinated everything ...
★ Later, we split it into two separate committees
★ Fellows Forum Committee handles … the Forum! The Fellows Development Committee handles all other aspects-- planning social gatherings, one or two major service opportunities for the semester, some mini service opportunities led by fellow Fellows, etc.
Past service events have included helping out at the Presidential Tailgates, presenting research locally in Tallahassee, and representing the Fellows during FSU Day at the Capitol or during football games in the President’s Box!

As for social activities, one event we are really excited about from Fall 2019: Fellowsgiving!
